**FIREPLACE MEASUREMENT FORM**

In order to ensure that your fireplace insert will fit in your fireplace, be sure to measure the dimensions of your fireplace. Please print this page and then fill in the table below with your fireplace dimensions. Bring the completed table with you when you come to our store. It may also be helpful to fill in the "Other Useful Information" table as well.

Fireplace Dimensions		
1		Opening Height
2		Opening Width
3		Bottom Depth Raised
4		Hearth Height
5		Hearth Depth
6		Rear Height
7		Rear Width
8		Height at 18"Depth
9		Width at 18"Depth
10		LintelWidth (Face to Flue Opening)
